#### **NEW PEOPLE's Guide**

#### How to add Q-GOLD to your MetaMask

#### How to Add Q-GOLD in Metamask

First of all, if you don't have a MetaMask account, here's a quick tour of your first steps:

1. Download MetaMask from their official website.

They have a browser extension that works on Chrome, Firefox, Brave and Edge as well as iOS and Android mobile apps.2.

Create a wallet by following the instructions. Once you've come to the backup seed phrase, make sure to write it down on a piece of paper instead of storing it on your computer or phone. 3.Congratulations!

You have just created a MetaMask account. It will look something like this:
